

**Amendments to the Specification**

Please insert on page 1 directly following the title the following heading:

Field of the Invention

Please insert on page 1 directly following line 2 the following heading:

Background of the Invention

Please insert on page 1 directly following line 13 (between paragraphs 3 and 4) the following heading:

Summary of the Invention

Please insert on page 1 directly following line 20 (between paragraphs 4 and 5) the following heading:

Detailed Description of the Invention

Please replace the Abstract with the following amended Abstract:

The present invention ~~relates to~~ is directed to a process for dyeing or printing textile fibre materials, ~~wherein~~ using a gloss pigment A or B ~~is used~~ wherein A includes comprising A(a) a core consisting of a substantially transparent or metallically reflecting material and A(b) at least one coating substantially consisting of one or more silicon oxides wherein the molar ratio of oxygen to silicon is on average from 0.03 to 0.95, or and B includes B(a) a core substantially consisting of one or more silicon oxides wherein the molar ratio of oxygen to silicon is on average from 0.03 to 0.95.
